MONALISA
COMPANY PROFILE

Established in 1995, Guangzhou Monalisa Wellness Co.,Ltd is the founder of "Monalisa" brand sanitary bathtubs, covering an area of 50,000 square meters and with a batch of experienced and ambitiously vigorous staff members. We are devoted to the development, exploitation and production of sanitation bathtubs and health-friendly products.

We enjoy a history of 22 years during which we pioneer an enterprise with painstaking efforts, and now we, thoroughly steeled or tempered, still persist in pursuing the principle of "to do business with integrity, to achieve excellence and innovation" by taking great pains over difficulties and striding forward with unremitting efforts. Our company sticks to the corporate cultural theme with emphasis on the awareness of famous brands, further innovation in science and technology and resolutely establishing our brand as the most competitive brand in the health-friendly bathtub and ware industry.

We lay great stress on brand consciousness, quality consciousness and service consciousness, which are now infiltrating every procedure of production, management and operation, thus rendering best quality products to the society and our customers. In cooperation with partners, we stand fast at the principle of "to treat people with sincerity, perform duties or do business with integrity and conduct ourselves in a deliberate way". Our company has developed by leaps and bounds and has become more prosperous every day.
